Congratulations Year 12 Class of 2022!

Welcome to the *Dai Le News*, a newsletter where we celebrate our community and everything that is happening right here, in our electorate of Fowler!

Firstly, and most importantly, I want to thank everyone for your support. I am honoured that you have placed your faith and trust in me, and I promise to be the voice for our community, for our people, our children and for our future.

I have asked and you've told me what's important to Fowler:

- **Healthier Hospitals & Better Healthcare for the Elderly**
- **Improved Education Opportunities for our Children**
- **Reducing the high cost of living**

Now, thanks to your support, I have the ability to urge the government to make changes in the areas that can actually make a difference to people like us, to people who live here in Fowler.

It's been an extraordinary, few months since becoming your Federal Member for Fowler at the **May 2022** election; being sworn into Parliament in July with my family present, then delivering my First official speech to the **Australian Parliament** in September!

My first speech was a testament to you, the people of Fowler. Our story is one that has moved a nation and I am so proud to be given the opportunity to speak about our challenges, our aspirations and the hard work of our families, businesses, and city in this 47th Parliament. It was also such a privilege to be the first woman to speak my birth language – Vietnamese – in this Parliament, and to have the permission to wear the traditional Vietnamese dress, the ao dai to make my First Speech.

To those of you who joined me in Canberra, I want to say a heartful thank you, for putting aside your valuable time to be there. To everyone else, who sent their well wishes, I'm grateful for your support from afar. Thank you too.

I want to extend a personal - heartfelt thank you to everyone who has helped me set up the office in Hughes Street, Cabramatta and to all of the people in the community who have come up to say hello - it has been a delight to see you!

Our office is open, and we welcome you to contact us on **(02)9726 3988** or email us at **info@daile.com.au** as we would love to hear from you, and see you!

This newsletter – is for you. I want to share news about our community, to our community.

Please let me know if you have a community or school event. We'd love to feature you in the *Dai Le News*. And if you are a Small Business Owner, we'd love to hear from you as we are on the lookout for owners to be part of our "Local Business Spotlight". Please email us on **smallbusiness@daile.com.au**.

Fowler is an example of what a community is – different people, from different places sharing ideas and working together to create a multicultural Australian future with endless possibilities and opportunities for our children. I am proud to represent and to share our stories in our community newsletter!

With Appreciation,

Dai Le
Federal Member for Fowler

Local Business Spotlight

Sushi Hub

Sushi Hub is a staple for many shopping centres and high streets across Australia, but did you know they started from humble beginnings in a Cabramatta arcade?

Sushi Hub was started by friends Raymond Chen, James Chen and Leon Li in 2006. The trio had opened up a franchise of Breadtop in Cabramatta, where they noticed there was a huge gap in Japanese cuisine. When an opportunity to open a new store arose, they decided to start the area's very first sushi joint - only a stone's throw away from their bakery.

This move saw the entrepreneurs develop from franchisee to franchiser, as Sushi Hub rapidly expanded into a national chain. Today, Sushi Hub has nearly 130 stores across the country – with four in the electorate of Fowler alone (two in Cabramatta, one in Liverpool and one in Wetherill Park).

Which local business do you want to see featured in our next edition of 'Local Business Spotlight'?

I look forward to hearing your stories, and amazing journey in developing your business and contributing to our diverse and vibrant economy. Let's continue to work to make our area stronger and better.
